Receiving the Alumna of the Year Award was Sister Joan DiRienzo, M.P.F., ACS Class of 1974. Sister received a BA in Education at Felician College, an MA in Religious Studies

at St. Charles Seminary, Philadelphia, and an MS in Education at Fordham University.

She has served as elementary and high school teacher in schools staffed by the Religious Teachers

Filippini and for the past 12 years has served as elementary school principal, 10 of which were in her current school, St. Bernadette in Brooklyn, NY and it is there that she received the 2009 NCEA Distinguished Principal Award. Under her leadership, St. Bernadette School was recognized as a 2008 No Child Left Behind Blue Ribbon School, the only non-public school to receive the honor that year in the State of NY. This award indicates not only the academic excellence found in the school, but also its strong Catholic identity. In Sister's own words: "There is nothing in life that I am more passionate about than Catholic education! I believe strongly that Catholic education is the surest way of ensuring future leadership for our Church and country. Catholic education lays the groundwork for children to excel academically, grow spiritually, mature socially."

Dr. Linda Stamato, a trustee of Assumption College for Sisters, delivered the commencement address. Dr. Stamato earned degrees at

Seton Hall University and Rutgers University and completed doctoral studies at New York University. She has served as Dean of her alma mater, Douglas College, Rutgers; as chair of the Board of Governors of Rutgers, and as a member of the Middle States Association's Higher Education Commission. A prolific writer, she has published numerous articles in scholarly journals and has mediated cases involving education policy as well as a variety of land-use issues, notably violations of clean air and clean water acts and other site-specific matters.

In Memoriam

On May 11th, Mr. Owen Michael O'Sullivan, founder of the College's Caring Basket Gala, passed away peacefully at home. A Mass of Christian Burial was celebrated at the Chapel of Mary Immaculate, Mallinckrodt Convent, Mendham, NJ, with Bishop Frank Rodimer presiding. The Sisters and the friends of the College offer their prayers and condolences to his wife, Geannine and family. A loving husband, father and grandfather, Owen will be dearly missed. ACS is grateful for his leadership in their fund-raising event.

From the President...

Dear Friends of ACS,
Each year at the time of graduation, many memories are evoked. This year, in particular, my first graduating class here at ACS, I am overwhelmed with admiration at the accomplishments of these religious women. They came to ACS three years ago with limited English proficiency and now continue their studies or engage in congregational ministries with greatly enhanced

and newly acquired knowledge and skills. They have not only successfully completed courses in theology, philosophy, psychology, history, science, mathematics, English, art, music, and dance, but they have excelled. What a lesson in perseverance and courage they have taught me!

And as I reflect on their accomplishments, I am vividly reminded of all who have made this possible: the Sisters of

Christian Charity and you, the Friends of ACS. You have all supported us with your prayers, your encouragement, your time, talent and treasure. For all I am deeply grateful.

God bless each of you as you enjoy the summer months. Please keep all of us at ACS in your thoughts and prayers.

Sister Joseph Spring, S.C.C.

Sisters' Roles Remain Vital in Catholic Hospitals

Sister Martin Haubrich, SCC, Assumption College for Sisters, Class of 1967, experienced an easy transition to Marillac College in St. Louis, MO where she received her Bachelors in Nursing because of the study and critical thinking skills that were developed at ACS. Sister remembers one professor remarking that the SCCs were true scholars because of their intense educational preparation. Sister has been the Nurse Manager of the Emergency Department at Holy Spirit Hospital (HSH) in Camp Hill, PA since 1994. In her leadership role, Sister serves as a mentor to the staff as she encourages, inspires, and challenges the ED nursing staff to participate in the mission and vision of the Hospital.

She is responsible for the quality of patient care, as well as staff recruitment and retention success. Through the values and knowledge learned at ACS, she has learnt there is also a delicate subtle art to being a Nurse Manager... to balancing the tensions between quality and cost... to dealing with stress and pressure every day... to

implementing processes needed to ensure that individualized compassionate care is provided consistently in the most efficient and effective manner possible without losing sight of Holy Spirit Hospital's healing mission.

It has always been Sister's greatest grace and a privilege to be able to share in the most intimate moments of a patient's encounter and create a connection with the patients and their family.

Sister Elizabeth Kovacs, SCC, ACS Class of 2006, is a new RN in the Emergency Department of Holy Spirit Hospital. She just graduated from Pennsylvania College of Technology (PCT) in Williamsport, PA with her BSN in May 2009 and is thrilled with her new role as an ER nurse.

"It's a pleasure having Sister Elizabeth in the Emergency Department. Her youthful enthusiasm is infectious. It is heartening to see the tradition of Mother Pauline's caring for the sick and the strong educational preparation from ACS continue to

flower in the mission setting." Sister Martin remarks.

Sister Elizabeth feels that her ACS education has helped her to integrate her spiritual life with her ministry. "The Theology and Philosophy courses I took at ACS deeply enriched my prayer life," she affirms. Also, the credits she received at ACS transferred easily to PCT and enabled her to enter directly into the nursing program without having to repeat any prerequisite courses.

Both Sister Martin and Sister Elizabeth are deeply grateful for the educational foundation they received at ACS.

"Sister Martin is such a hard worker and extremely sensitive to the needs of her staff. She's a great role model for me, and I admire her very much," says Sister Elizabeth.

Assumption College for Sisters continues to provide Sisters with a foundation in professional skills and the spiritual formation necessary in serving in various ministries throughout the world.

Answering God's Call to Serve in Uruguay

Caring for God's children remains at the heart of a Sister of Christian Charity's call. Sister Marisol, SCC is currently missioned in St. Lucia, Uruguay, teaching and sharing in pastoral roles in an underserved community. While happily teaching at St. Nicholas School, Jersey City, NJ, Sister says she "heard God's call and I had to answer, " which led her to Uruguay. Sister is grateful to the SCCs and all of the benefactors for their love and support of the Uruguayan people.

The College Bids Farewell

Mrs. Maria LaSalvia-Seliga, teacher of English and Computer since 2004, will be leaving the ACS faculty to relocate in Delaware. Sister Ida Heinzmann, Dean of Students since 2008 will be using her technology skills in the Sisters of Christian Charity Development Office. Both have contributed their gifts of mind and heart to ACS and they will be greatly missed.
