MESSAGE FROM THE PRESIDENT

Dear Friends,

Is this the year never to be forgotten? Our life as usual at ACS became quite "unusual." But rather than lament the past and what we currently must do, we thank God for His many blessings on Assumption College for Sisters:

Everyone, faculty, staff, students remained safe and healthy.

Because several of our students are Ministers of Holy Communion, each day we were able to pray Office and have a communion service

Remote learning took place in real time and thanks to the efforts of faculty and staff, students learned much and did well academically.

Although we could not invite friends to our Commencement ceremony, we had a great celebration.

And now...for the year ahead...Carefully following the Re-Start standards for Higher Education in the State of NJ along with CDC guidelines, we submitted our required plan which is posted on our website. All protocols were reviewed with faculty, staff, and students.

The Foundress of the Sisters of Christian Charity, Blessed Pauline von Mallinckrodt wrote the following at the height of the Kulturkampf (war against religion and culture) when the Motherhouse was confiscated by the government and the Sisters could no longer teach in the schools: "A glance into the future could well fill our hearts with fear and fright, if we did not know the dear Lord still lives and will direct all for the best."

So, inspired by this same confidence in God and counting on your prayers and support, we proceed!

Sincerely,

SISTER JOSEPH SPRING, SCC
PRESIDENT

"A glance into the future could well fill our hearts with fear and fright, if we did not know the dear Lord still lives and will direct all for the best."
